On 03/16/2024 at approximately 1104 hours, I, Officer Wegner, was dispatched to a two vehicle accident.

Upon arrival I made contact with the drivers of Unit 1 and Unit 2.

Driver of Unit 2, who advised she was pregnant, requested she be evaluated by medics, but later refused transport.

Driver of Unit 2 advised she was traveling westbound when Unit 1 drove across the intersection, causing them to hit Unit 1's driver side.

I spoke with the driver of Unit 1 who advised she was traveling southbound, and doesn't recall what happened.

There are stop signs for northbound and southbound traffic. East and westbound do not have stop signs. Unit 2 had the right of way.

Driver of Unit 1 was cited for failure to stop for the stop sign.

An unknown male provided a video from his residence, you can only see part of the collision, but appears that Unit 1 is traveling south and Unit 2 is traveling west like they both described.

Photos and video uploaded using Axon Capture.

On 3/16/2024, at approximately 1145 hours, I, Officer Hanson #405 with the Bloomington Police Department, was dispatched to a property damage accident. The parties were outside of 7901 1/2 Southtown Center (Applebee's.)

Upon arrival, I spoke with the driver of a Mercedes that had rear passenger side damage. The male driver denied injuries, but the female, who I later learned was seated on the passenger side of the vehicle, was holding her stomach area. I learned she was pregnant and wearing her seatbelt when the crash occurred. The female told me they were traveling eastbound on W 79th and tried to take a left turn by Applebee's to go northbound, where the collision occurred. The passenger told me the other vehicle stopped for their stop sign. She admitted to wearing her seatbelt. She was later transported to Southdale Hospital for evaluation.

I spoke with the driver of vehicle 1. He told me he was traveling eastbound on W 79th Street and tried to make a left turn (north) but was hit by vehicle 2 in front of Applebee's. He thought that the driver of vehicle 2 stopped at the stop sign.

I spoke with the female driver of vehicle 2. There was a slight language barrier. I learned she did not have a valid driver's license; she provided a digital photo of her passport. I was able to find a match in DVS. She was eligible for a driver's license. The driver claimed she stopped at the stop sign and continued driving when vehicle two entered the parking lot way too fast, impacting the cars. She admitted to wearing her seatbelt.

The passenger of vehicle 2 was transported to Southdale hospital by Allina, run #242368265.

Both vehicles were drivable with cosmetic damage.

I arrived on scene and observed a silver Toyota RAV4 (MN Plate #FTM805) with heavy front end damage and a dark blue Ford Fiesta (MN Plate #LMX117) with heavy passenger side damage.

The driver of #FTM805 identified as, Boa Tran Gia Mac (DOB:03/10/1998), stated he was traveling southbound on France Ave S from 78th St W. Mac stated he had the green light and the driver of #LMX117 must have ran a red light causing the collision.

The driver of #LMX117 identified as, Quentin Lamar Diggins (DOB:03/14/1989), stated he was traveling westbound on 78th St W from the on ramp from I-494 West. Diggins stated he had the green light to continue westbound on 78th St W when Mac ran the light colliding with the passenger side of #LMX117.

A review of Edina Police Department Sergeant Sussman front squad camera shows #FTM805 running the red light and colliding with the passenger side of #LMX117.

A second witness of the incident identified as, Iscar Jose Lugo Graterol (DOB:11/14/1989), also observed the collision and captured the incident on his personal dash camera (AXON link sent for upload).

Mac was uninjured and declined medical attention. Based on the eyewitness testimonies, Mac was cited for Failure to stop for traffic control signal (#270124201543). I observed no signs of impairment from Mac.
