On 01/24/2024 at 1315 hours, Police and Fire were dispatched to a single vehicle accident.

Dispatch advised that the vehicle left the roadway and rolled over in to a marsh. The driver, Dominique Lynne Kirchner DOB 12/22/1991, and two toddlers were trapped in the vehicle on its side.

Upon arrival, Fire was extricating all parties from the vehicle. I walked the scene and determined the following: The vehicle was SB Bloomington Ferry Road at 96 St W. The vehicle crossed over the center median into the NB road. The vehicle traveled the wrong way for approximately 200250 feet before jumping the curb and driving on the sidewalk. The vehicle then drove into a marsh and traveled approximately 600 feet before hitting an embankment and rolling the vehicle onto its side.

Once all parties were out of the vehicle and in the ambulance with the possibility of minor injuries. After speaking with Kirchner, she admitted to having "several" shots of alcohol this morning. Kirchner also stated she had taken Kratom, which is an herbal drug that can produce opioid and stimulant like effects. Kirchner refused to provide a preliminary breath test.

All parties were transported to Fairview Southdale Hospital via Allina Ambulances to be evaluated for possible injuries.

Alcohol is most likely a factor. Kirchner was arrested.
