On 5/1/2024 at approximately 13:30hrs, I, Officer David Sawacke badge 414, responded to 8120 Stevens Ave S. for a report of a possible crash that may have involved a City of Bloomington vehicle.

Upon arrival, I observed two vehicles blocking the street that had obviously been in a crash as they were touching and had minor damage. The vehicles were right outside the address. I spoke with Jhandeshwar Samkaran (DOB 8/31/1958) who said that he was on the way to taking his wife Chandrawatie Samkaran (DOB 4/7/1964), who was in the passenger seat in front, to the doctor. He said when he was backing out of the driveway, he did not see the City of Bloomington vehicle behind him and backed right into it, causing a minor crash. Neither he or Chandrawatie were injured.

I spoke with City of Bloomington employee Street Operator Ryan Mark Young (DOB 6/9/1982) who said that he was backing up the street on Stevens Ave S. and did not see anyone backing out of the driveway and then before he noticed Jhandeshwar backing out, they had collided. Ryan was backing up the street on the west side of the street.

The impact of the two vehicles was a low impact, minor damage crash. Jhandeshwar was driving MNLIC/ NCB 380, a 2007, red in color, Lincoln Navigator. There appeared to be damage to the driver side tail light of the vehicle. Ryan was driving MNLIC/ 948237, a 2015 white in color Ford F250 used as a City of Bloomington Street vehicle. Damage was seen on the driver side of the truck from the bed of the truck to the tail light and appears minor.

Upon arrival, Bloomington Fire Department was on scene providing care to both drivers involved in the crash. I observed two vehicles involved: MNLIC/ BTK 603, a 2015, red in color, Nissan Rouge Select (unit 1), registered to the driver on scene Christian Denis Ceurvorst (DOB 1/28/2002), and MNLIC/ ZXP 879, a 2021, silver in color, Dodge Ram (unit 2), registered to the other driver on scene John Jay Houle (DOB 6/18/1997).

John appeared to be holding his right hand in pain. There was a concern that he may have broken a bone in it. He was awaiting treatment from medics. He said that he was traveling westbound on 84th St. W going under 40mph, when he observed Christian pull out of Beard Rd. in close proximity to him. He did not have enough time to react and locked up his tires and tried to drive out of the way but was unable to do so.

I then spoke with Christian. He said that he did not see John traveling westbound when he got to the intersection and pulled out to go eastbound. It was this maneuver that caused the crash in a T-bone style crash. Christian appeared to have minor injuries to his right hand and declined transport to a hospital stating he would get himself checked out.

Witnesses on scene Stacy Marie Flink Lee (DOB 7/4/1986) and Zachary James Crandall (DOB 1/3/1991) had identical accounts in the event stating that they believed that Christian pulled out not realizing that John was approaching when the crash happened.

John was transported to Fairview Southdale Hospital, 6401 France Ave S. via Allina medics run # 242396143.

Photos were taken on scene of both vehicles that had heavy, disabling damage, and uploaded to Axon.
